

Shepparton United 2026 season review

United finished 8th with 9 wins and 9 losses, one win short of the finals. They were the league's best ball users, but gave up too much in the contest and at the stoppages against the better sides.

Against the top 5

3 wins from 8 games, average margin -21.1. Wins over Shepparton Swans (twice) and Kyabram; losses to Echuca and Shepparton Bears (twice each) and Seymour.

Against everyone else

6 wins from 10 games, average margin +28.6. The losses to Mooroopna (twice, by 7 and 27), Rochester and Mansfield cost the finals spot.

The one that got away: Round 4, lost to Mooroopna by 7 points. Win that game and United finish on 40 points, Mooroopna drop to 36, and United play finals.

What won and lost games

United's own averages in their 9 wins and 9 losses.

STAT	IN WINS	IN LOSSES	DIFFERENCE
Inside 50s	54.2	42.4	+11.8
Marks inside 50	19.1	11.1	+8.0
Scoring shots	28.2	17.9	+10.3
Marks	123.2	97.7	+25.6
Disposals	371.1	328.3	+42.8
Contested possessions	131.0	126.9	+4.1
Clearances	43.2	40.3	+2.9
Tackles	53.8	56.6	-2.8
Turnovers	66.0	71.2	-5.2

Getting the ball inside 50 decided United's games. Tackle numbers were almost the same in wins and losses. When United lost, the ball simply wasn't getting forward.

Standouts

- **Brodie Newman.** Defender. #1 in the GVL for marks (11.0 a game) and #1 for intercept possessions. Club's highest-impact regular player.
- **Angus Hicks.** Midfield engine. League top 20 for disposals, clearances, tackles and inside 50s. 28.5 disposals a game.
- **Jordan Haynes.** The league's 7th-best tackler and the most consistent high performer in the side.
- **Matthew Casey.** 3.3 goals a game, 3rd best in the GVL. His output rose more than anyone's in wins.
- **Zavier Maher.** Only 7 games, but his average impact score (145.9) would rank 3rd in the league. Having him available more would make a big difference.
- **Liam Serra.** #3 in the league for marks and #18 for goals. Strong first half, dropped off after Round 9.

Looking ahead

The foundation is good: United can move the ball better than anyone in the league. To go from 8th to a finals side and beyond, the priorities are:

- Win more of the contested ball.
- Lift tackling and pressure around stoppages.
- Turn possession into more inside 50s.

The companion report, *What it takes to win a grand final*, sets out targets for each.
